# Looking UP

## NEXT [generation]

Calvary Life Center Ground-breaking Celebration ■ October 2, 2011

## ■ OCTOBER 9, 2011

From the Senior Pastor

# Breaking new ground...

At the ground-breaking of the new Calvary Life Center last Sunday, God once again exceeded our expectations.

Not only was the weather perfect (I like it on the cool side!), but the presence and power of God were very evident, as we praised our God and Savior Jesus Christ for leading us to this point. It was appropriate that we also looked back and reflected on the faithfulness of God. Lord willing, our new Calvary Life Center will be built a year from now. What an impact it will be in the lives of children, students, and adults!

Dr. & Mrs. John H. Munro

At the ground-breaking we also saw a visible demonstration of all of the generations at Calvary (note the photos, left). I love the fact that we seek to minister to all generations and to all nationalities and cultures. Isn't that what the church of Jesus Christ should be?

Let's continue to pray for God's blessing on Calvary: for the protection for all those working on the CLC project, for the continued financial generosity of everyone, and that during this year of construction we will continue to display and proclaim Jesus Christ to everyone. "Great is our Lord, and greatly to be praised, and his greatness is unsearchable" (Psalm 145:3). ■

## Membership course begins October 15
