## Mission accomplished!

### GO East Asia team celebrates successful missions trip

Calvary Church, thank you for your faithful support of our GO East Asia short-term missions team. Following their trip May 19–31, Pastor Jim Cashwell reports that the mission was very productive! Due to your partnership, seven came to know Jesus as Lord and Savior, study Bibles and scripture commentaries were distributed along the China-Russia border, the Gospel was proclaimed boldly on a university campus, the underground church was strengthened, and missionaries were encouraged. "Please continue to pray that the Gospel planted will germinate and grow into a revival sweeping across Asia and around the world. Pray for those on our team who are considering God's call to service in Asia. And thank you again, Calvary, for your partnership!" shares Pastor Cashwell. From the Senior Pastor

## Making the best use of the time

Dr. John H. Munro

In Ephesians 5:16 Paul encourages us to make "the best use of the time." While we do not have all the same gifts, talents, resources, opportunities, and experiences, we do all have the same amount of time. We all have 24 hours each day.

The important question is, "Are we making the best use of our time?"

During the summer months, most of us have a less busy schedule. Relaxation and a change of pace are important if we are going to have a balanced life. However, it is possible that during these summer months we waste some of our time. This summer I want to challenge all of us to spend more time in the Word of God. As well as your normal Bible reading, consider studying a particular Bible book in depth throughout the summer. Take a short epistle such as 1 John or 1 Thessalonians, or read one of the longer books such as Genesis, Isaiah, or Matthew several times. It will be the source of a great blessing to you.

All of us have all the time we need to do God's will. So during these summer months make the best use of your time! ■

## Reaching out around the world...

### Million Meals Mission

Calvary's Boy Scout Troop 7 is participating in the Million Meal Mission, a drive to pack one million meals for children in third world countries in cooperation with Charlotte area churches, Samaritan's International, and Feed My Starving Children. During packing events throughout June, over 5000 volunteers are needed to fill 2-hour shifts to help pack a dehydrated food mixture that is easy to transport to hungry children around the world. Children as young as 5 can participate with an adult, so this is a great opportunity for families and groups of all ages. For more information or to register for a shift, please go to [www.millionmealmission.org](http://www.millionmealmission.org) or stop by Galleria Table 4B today. Contact: Suzanne Yoh, 704.543.2709

### Shoes for Kenya

In preparation for our GO Kenya missions trips this summer, we're collecting new sneakers in children's sizes 11–13, youth sizes 1–7, and adult sizes 4–6. These will be given to children living on Ringiti Island and Mfangano Island in Lake Victoria. Please place donations on the collection racks in the Galleria concourses through June 16.

### Serve at Samaritan's Feet center on June 19

Come sort, snip tags, and stuff socks into new shoes at the Samaritan's Feet distribution center on Saturday, June 19 from 9:30 AM–noon. The center is located at 1900 Associates Lane in Charlotte. Stop by Galleria table 6A to sign up. Contact: Debbie Lineberger, 704.542.6000
