From the Senior Pastor

The Verdict comes to Scotland

Many of you know, over the past year we have had the possibility of broadcasting our radio program, **The Verdict**, in

John & Gudny Munro

Scotland. There have been a number of delays, but we give thanks to our great God that last Monday at 11:00 PM (GMT), **The Verdict** began broadcasts in Bonnie Scotland! Praise God.

While we would have liked an earlier time, the Scots go to bed generally later than Americans (and get up later!) Many Scots are still driving late at night or getting ready to go to bed between 11:00 PM and midnight. All of this is in the providence of God. I ask for your fervent prayers.

The radio station in Scotland has recently received a broadcast license for coverage of Glasgow, which is the largest city in Scotland with a population of over 1.6 million. With the increase of the power input to their transmitter, the broadcast will now be heard east of Glasgow towards Edinburgh, so the potential is enormous.

You can understand my excitement! Many years ago, Scotland was referred to as "Bible-loving Scotland," but these days are long gone. May revival come to the small country, which in the past made such an impact for Jesus Christ throughout the world. ■

THE VERDICT
