## What is Calvary Summer Camp for 2019?

During Camp Week, Calvary seeks to offer activities and experiences where your student will **desire to know God**, cultivate **meaningful relationships**, and **make life-long memories!**

**Activities can include** lake activities (Swimming, blob, water slide, and canoeing), climbing wall, high ropes course and low ropes course, field and gym activities, paintball, and so much more! Activities will take place in the afternoons and after evening worship.

While we seek to have fun, our primary goal is for your student to **learn more about God and connect with Him** in an intimate way. Each morning students will spend 30 minutes in quiet time around camp using the daily devotional journal we will provide. After morning Quiet Time, students will meet with their small group leader for Huddle Time memorizing verses and answering reflection questions.

After Huddle Time, students will gather for a time of worship and then to morning breakout sessions students can choose from that will be led by Calvary staff. Through this important morning time, we pray that your teen will see and understand the benefit of spending alone time with God every day!

After a fun-filled afternoon of activities and dinner, students will gather together for **worship and Bible teaching**. Our theme for the week is **Just Believe!**
